

The PackRAT

Reports And Tales
from Pack 196

November, 2005

Important Information

Wreath money is due December 2. Buyout money (if you didn't sell wreaths) is also due on the 2nd. You can turn the money in at a den meeting before Dec. 2 or you can turn the money in at school (if you attend St. Peter, that is) there is a blue envelope on the counter in the main office labeled Cub Scouts. Please put all of the money in an envelope with your scout's name on it. If you don't attend St. Peter, please call Marion or Sam to make special arrangements.

We will have hot chocolate to help keep us warm, but be sure to bring your hats and mittens.

Wreath Sales a Huge Success!

Kudos to all the scouts who participated in the Wreath Sales! Our total wreath sales added up to over \$5000. Our total Pack profit was a little over \$1400. As you know, a percentage of the profit generated by each scout is placed in his scout account to help defray the cost of camp. So \$365.50 of our total profit has been put into individual scout accounts for the 21 boys who participated in this fundraiser. We will have one more fundraiser (Flower Sale) in March.

Bonfire and Klondike Demo

Our annual Pack Bonfire will be on Friday, December 16 at 6:00 p.m. in the Grove. This year, we will have some special guests at the beginning of the Bonfire. Jeff and Doug, advisors to the Venturing Crew we met at the June campout, are coming out to do a Klondike demonstration for us. They will be bringing the Klondike sled for the boys to see, and will show the boys (and the adults) how to have fun (and stay warm) in cold weather. After the demo, we will have the bonfire.
